

# Thanks for Coming

If you are a visitor in our worship service today, we are thrilled to have you. Our prayer is that you are drawn into the presence of Christ during this time, and your encounter with Him will leave you more transformed into His image. If you are new to our community, or if you don't have a current Church home, we hope you will prayerfully consider Southern Heights Baptist Church as your regular place of worship.

If you are just visiting the Berryville area, we hope you enjoy your stay and will come back soon. In either case, we would like to have a record of your visit, and be made aware of any prayer concerns you might have.  
Thank you for being here today.

**Bro. K says: “Energy and Patience”**

I love 50s Rock & Roll music. Chuck Berry, Jerry Lee Lewis, Buddy Holly, Fats Domino. “Good Golly Miss Molly”, “Maybelline”, “Sweet Little Sixteen”. Another favorite was “Rescue Me” by Fontella Bass.

God speaks in many different ways, and on January 1, 1990, he spoke to Fontella Bass through a television commercial. Bass was at the lowest ebb in her life. Twenty-five years after her Number 1 R&B single "Rescue Me" had made her a star, she found herself broke and alone. She had started her career in Gospel music, but her R&B success had taken her far from her Christian roots.

That day she asked God for a sign- a sign that would help her get back on her feet. At that very moment she heard her own voice on TV, singing "Rescue Me." She didn't know that American Express had been using her song on a commercial. She said, "It was as if the Lord had stepped right into my world!" She did some research and found she was owed back royalties. She started going to church every Sunday. And she started singing again. She now has a new Gospel album called "No Ways Tired."

Fontella Bass has this to say: "For so many years I tried doing it on my own, and it didn't work. Then I took it out of my hands and turned it over to God, and now everything good is happening in my life."

**Hineni Student Ministry** “Humble yourself”

This is my sincere thank you to everyone who has gifted my family through our current ordeal. Please understand that if I have seemed apprehensive about accepting gifts, it is nothing personal, it is just how I was raised. I was always taught that as a man and father, my job was to provide for my family. That I should not rely on “handouts”. It has been a lesson that’s stuck with me over the years. Therefore, whenever someone, anyone, offers me charity I find myself struggling with the classic sin that we all struggle with. Pride.

As Bekah and I walk through Indy’s medical situation I’ve had to remind myself that God does not want us to be prideful. When James wrote about believers desiring worldly things he said: “But he gives more grace. Therefore it says, ‘*God opposes the proud but gives grace to the humble.*’” (James 4:6) I must say, this process has taught me to “*Humble yourselves before the Lord*” (James 4:10). This is my struggle and something I will continue to work on.

But for now, let me say again, thank you church family for everything everyone has done for us. It is more than I could ever ask for.

## AUTUMN HILLS MINISTRY

Today at 3:00, we will lead a Worship Service for the residents of Autumn Hills Nursing Home. If you can sing, or speak, or smile, or hug, this ministry is for you. Many of these precious folks have no family or friends to visit them. You can bring joy to their lives just by a kind word or hug. Help us bring the light of Jesus to those who might not otherwise see it.

## Welcome to SHBC

### About SHBC

We are a group of Christ-followers who believe in the power of God to change lives. We want to see transformation take place in your life, and in your family’s. We see that happening in this Church through the consistent teaching and preaching of God’s Word, and through the encouragement and support of fellow believers. Our worship is simple and Spirit-led, meaning God is the focus of everything we do, because He alone is able to help; He alone is able to save; therefore, He alone is worthy of our devotion.

Our activities and teaching are centered around the Biblical directive to “make disciples.” Simply put, everything we do is for the purpose of pointing people to Jesus, so they can become more like Him. SHBC is a relatively young Church, but a Church that God has already blessed in miraculous ways. We invite you to become a part of our family, and experience the power of Christ in your life.

### Join The Family

The only biblical requirements for Church membership are that you are born again and have been baptized. That means that you have publicly professed your faith in Christ and then been baptized by immersion after your salvation. If that is the case, you are eligible for membership.

There are several different ways to join SHBC, depending on your situation. Please talk with our Pastor if you have questions about becoming a member here.
